

APPLICATION

The jabAERATOR is designed to repair and aerate ball-marks and brown-spots on golf-greens.
Regular use of the jabAERATOR assures flawless greens.

BENEFITS

Golf-Course Superintendents, Owners, Pros and Players

FEATURES

- 16 Stainless-Steel pins.
- Unique foot-jab action for ease of use
- Lightweight design (3.7 lbs.) minimizes user-fatigue
- Stainless-Steel, Anodized-Aluminum components for durability
- Fits into a standard flag-cup

SPECIFICATIONS

Length: 29 inches

Weight: 3.7lbs

Base Diameter: 4 inches

USED BY

Maintenance Staff, Rangers/Players-Assistants, Avid-Golfers

HOW TO USE

- **Place** over the ball mark or brown spot.
- **Step-on** the blue-cap to drive 16 pins into the turf.
- **Lift** to see results: aerated ball mark or brown spot to allow air, water and nutrients to regenerate the turf.

CLEAN-UP & MAINTENANCE (*)

The jabAERATOR is practically maintenance-free. Sand and dirt are dispensed through the well-designed clean-out holes. To maintain, simply soak the base in water and dry with compressed air. WD-40 or other types of lubricants are not recommended.

WARRANTY

Felmar Products LLC will repair, without charge, any defects due to faulty materials or workmanship **for one year** from the date of purchase. This warranty does not cover part failure due to normal wear or tool abuse. For further detail of warranty coverage and warranty repair information, call 1-561-542-3210. This warranty gives you specific legal rights and you may have other rights which vary in certain states.

Return Policy

30-day money back from date of purchase. Buyer pays return shipping.
Return Authorization is required. Email sales@jabaerator.com.
